## **Windward School, Mar Vista — *Middle & High School***

2020 (7th Grade) - Present

I play beach volleyball and varsity indoor volleyball for my school. I was a part of a student-faculty committee for selecting English curriculum readings. I am a part of the Latinx Affinity Group at my school. In my free time, I write for the school newspaper, and I work on my STEAM Scholar Project, which is a ski helmet that can detect motion and issue warning signals for hard-of-hearing people..
